

MIRROR

ILENE [SUNG G, C, D7]

Sit closer. Closer.
Look into my eyes.
See your reflection, beautiful
there.
Can you visualize?

YVONNE
I see myself
I can't see anything clear.

ILENE
But I see you--Every inch.
I'll be your personal mirror.

[chorus C, G, A, D]

I'll be your mirror
You'll be my star
I'll be as honest, honest as sin
Just like girlfriends are

YVONNE
Are my lips alright? or
Are they a sham?

ILENE
I can fix them, good as new.
Let me guide your hand.

Press it to your lips.
Follow the line.
Sweet as a Georgia peach.
You look divine.

I'll be your mirror
Alone in your room
Nobody but you and me
I got eyes only for you...

ILENE
I'll be your mirror
And you're trapped inside
I'll be as honest as girlfriends are
Cross my heart, hope to die
